

Jasmine

PRESCHOOL

Hi Everyone

HAPPY NEW YEAR!

Welcome back! We hope you all had a great Christmas and enjoyed your two week break.

Myself and the girls enjoyed our little break and are feeling refreshed and ready for all 2014 has to bring!

Bob has been super busy during the holidays renovating the back veranda- and it is looking great! There is still a little work to be done and he will continue to do this over the next week or so. We appreciate your patience as the work continues :)

Andrew has also been busy over the holidays painting the Bees room. We are currently waiting for some display boards to arrive for the Bees to display their art, these will hopefully be installed within a few weeks :)

We have an exciting year ahead, so be sure to check the events calendar, displayed on the front notice board and keep an eye on our facebook page and on your inbox for any emails that will keep you updated on everything that's happening at Jasmine.

Thanks

Samara

Staff News

As you all know, Miss Rach had her knee operated on at the end of last year. She is recovering well, but still isn't back on her feet. She had hoped to return to work with us all this week, but it was not possible. Rach is just taking it week to week and we will keep you updated on her progress and let you know when she will be returning to work :) Lauren will continue to assist Runa in the Butterflies room until Rach returns.

Program changes

As you may have noticed there has been some slight changes to the Preschool this year. The Caterpillars and Butterflies sign in sheets are now located inside their rooms to allow for the girls to access the rolls with ease throughout the day. The

Butterflies have also introduced lockers into their room and also weekend books- Thanks to everyone that has returned their books so far, filled with stories from your holidays, I really enjoyed reading through them this morning.

The programming throughout each of the rooms have also changed a little bit, We have combined our program and daybook, so that families are able to see the activities the children enjoyed throughout the day and also still enjoy the photos from the day. We also hope to go digital in the near future, but for the mean time, you can find the program displayed on the notice board in each of the rooms :)

We will explain the program changes in more detail at our parent information night, which will hopefully be held in February

Preschool hats have also been introduced this year. Each of the children will receive their own hat, which has been clearly labelled on the inside. The hats will remain at the preschool and the teachers will wash them once a week. The hats have a storage area in your children's room, so please check with your child's teacher, where this is and please do not take the hats home :)
